Re: Winnebago Reclamation Landfill

Dear Mr. Schorle:

This letter confirms our October 20, 1993 telephone conversation during which we discussed Warzyn's change to our project team for the Winnebago Reclamation Landfill project, and our Phase I sampling schedule. I have assumed project management duties from Mr. Alan Schmidt and I have tentatively scheduled the Phase I sampling for the week of November 8-12, 1993. I look forward to continuing the excellent working relationship we have had with you on this project.

If you have any questions on the project please feel free to contact me at (708) 691-5065.

Sincerely,

WARZYN INC.
